

# White Choral Bells

Leisurely

1    **C**            **G7**            **C**                    **Dm**            **G7**            **C**

White    cor - al    bells                    up - on    a    slen - der    stalk,  
Oh,        don't you    wish                    that    you could hear them    ring?

2    **C**            **G7**            **C**                    **Dm**            **G7**            **C**

Lil - lies    of    the    val - ley    at    my    gar - - den            walk.  
That will hap - pen    on - ly    when the    fair - - ies            sing.
